"I ALWAYS get chow mein and the legendary orange chicken. First and foremost, you can get the chow mein alone, and it's still the bomb. You can also get the orange chicken by itself, and it's truly THE BOMB. I will, without shame, order from Panda Express at least 2-3 times a week. Even if I run out of DB, I'll use my own money. That's just how great it is."
- Sivi Kizinga, '22

"Blaze is like a subway but for pizzas. Blaze is vegan/gluten-free friendly with all types of options, and it's right near campus! I get the green-stripe, a pizza filled with the right amount of cheese, topped with delicious grilled chicken, and, to make matters better, the whole pizza is drizzled with pesto! What a combination, go to Blaze Pizza!!"
